G.I.D.C Estate,  
Behind Swiss Glascoat,  
Vitthal Udyognagar-388121

At the outset, we thank profusely for the your noble gesture in donation for  
1. PEMF- PET 2. PEMF- TAME magnetic instruments for treatment of veterinary  
patients. We have used this physiotherapy instrument for treatment of wound,  
fracture, paraplegia and in pain management. We found this modality is very useful in  
treatment of veterinary patients.

Sanguine of such co-operation in future

With due regards

  
(P.V.Parikh)
